Dear Sir,

I do understand that items such as: Matches, Lighters, Paints, Aerosols, Deodorants, Perfumery Products, Generators, Engines, Gas stoves, Bleaching agents, Pesticides, Piff Puff, Gas Cylinders, Varnish etc are Dangerous Goods and may endanger the lives of Passengers, Crew, Staff, Public & cause damages to premises, Aircraft, the environment etc. The carriage of Dangerous Goods (DG) as General Cargo is against National & International Regulations.

I also understand that all DG must be correctly Identified, Classified, Placed, Marked, Labeled, & Documents as per the current Dangerous Goods Regulations & only Cargo. Agents approved by GCAA are permitted to accept & process Dangerous Goods Shipments.

I am aware that forwarding that the above shipment does not contain any Dangerous Goods as per current IATA Dangerous Goods Regulations & is safe for transportation by air on any aircraft. I accept full liability for any damage caused due to inadequate packing or in correct declaration of the goods being transported.

Thanking You,
